Don't we all get bored of wearing the same outfit over and over again sometimes? Today, we are happy to offer you a fascinating alternative and present unique reversible fashion by Emily Keller.

Emily Keller, originally from NYC, presented her new Fall 2014 Collection of reversible knitwear (EK Reversible) in the end of April. The collection was inspired by reptile patterns, which gives all outfits a remarkable and exotic look. EK Reversible is dedicated to designing smarter rather than faster, which perhaps explains why the brand is so deep design-wise and innovative — you may wear Emily Keller inside out and inside again!

有时候我们会因为日复一日常穿同样的着装而苦恼。今天，我们很高兴向大家介绍与众不同又不失色的Emily Keller的时尚设计。

Emily Keller，来自纽约的设计师，在4月份发表了其最新的2014秋装新款（EK Reversible），本系列主打针织品。设计灵感来源于爬行动物的纹路，赋予了每件设计异样的风情。EK Reversible更追求精准的设计而非速度，这也解释了为什么这个品牌的设计如此深奥又如此具有开创性。可以里穿又可以外搭的Emily Keller。
